Listening with the Ear of the Heart

You love your pets and want to do what is best for them, but it isn't always easy to understand what they need. Since 1995, [Brigitte Noel M.Ms.](#) and All-Ears Animal Communication have offered animal therapy in San Diego, CA, for pet owners looking to understand their pets and their behavior better.

Through animal behavior consulting, in person or by telephone, Brigitte provides a compassionate, knowledgeable, and sensitive approach to better understanding the human and

animal perspectives of your interactions with your pets. In her practice, Brigitte observes time and time again how deep connections with beloved animals help us become more heart-based and emotionally balanced humans. She is ready to help her clients:

- Understand & Resolve Behavior Patterns
- Recognize & Understand the Hidden Dynamics Between Animals
- Create Simple, Practical Solutions That Meet Everyone's Needs
- Gain Insight Into Your Unique Relationship with Each Animal
- Make Appropriate & Compassionate Decisions in Times of Illness or Transition
- Receive Clear & Helpful Communication with an Animal That Has Transitioned to the Other Side
- Learn About Holistic Nutrition & Health Awareness for Pets

More Than Just Consulting

In addition to her [animal consulting services](#), Brigitte offers her Elemental Wisdom Flower Essence Blends and Bach Flower Essences. These remedies and food services are provided in person locally and via telephone nationwide. Credit cards are accepted.

- Workshops & seminars
- Speaking engagements
